BEHIND THE BURLY Q

The Story of *Burlesque* in America

"Leslie Zemeckis has preserved for us a lively, lovely corner of American life." -Richard Schickel, Film Critic & Historian

Burlesque was one of America's most popular forms of live entertainment in the first half of the 20th century. Gaudy, bawdy and spectacular, the shows entertained thousands of paying customers every night of the week. And yet the legacy of burlesque is often vilified and misunderstood, and left out of the history books. By telling the intimate and surprising stories from its golden age through the women (and men!) who lived it, *Behind the Burly Q* reveals the true story of burlesque, even as it experiences a new renaissance.

"Absorbing, moving...the stories are rollercoaster rides!"
-Emily Hourican, Irish Independent
